Hi Yvonne, Michelle in our Migratory Bird group is compiling comments on the draft EIS. I'm sure she would be the best person to contact. Hope things are going well with you, Kathy-

Kathy: Is there anyone in the FWS Oregon Office that is reviewing/commenting on the Corps DEIS for the removal of cormorants on the lower Columbia River? Our Regional office is reviewing the document and wanting to touch bases w/ other agencies to get a sense on how they feel about this proposal.
